Crystorama's antique-inspired six-light chandelier from the Calypso Collection features clear glass accents and brass banding to create a fashion-forward look. Measures 20 inches tall and 30 inches wide. TM 3503. www.crystorama.com

In the spirit of commercial wine-racking, the Napa one-light mini pendant from Studio M is constructed of a metal frame with transparent bottle-like glass. Finished in Blacksmith steel. WTC 256. www.studiomlighting.com

Hinkley's first designer collection with Lisa McDennon makes its debut this market. For her Ludlow linear chandelier, McDennon took inspiration from Palladian architecture. The simple squares and circles make for a chic pendant. TM 3210. www.hinkleylighting.com

The Fluid ceiling fan by Craftmade makes a funky fashion statement with curvy blades. Available in four finishes, the fan has indoor and outdoor applications. TM 4902. www.craftmade.com

Modern and sophisticated, the Juliette LED bath bar from Golden Lighting features opal glass and metal ribbons wrapping around the fixture to give off a feminine look. TM 4909. www.goldenlighting.com

Inspired by the New York City skyline, Kalco's Allston linear fixture features a minimalist frame in a Black Iron finish that was designed without glass to create a warmer effect. TM 3303. www.kalco.com
